Gün 1 — ABANT & GÖLCÜK LAKE - ORMANYA - MAŞUKİYE - HOBBIT HOUSES

Dear guests; After welcoming you at the specified stops on Friday evening at the specified times, we start our journey with the comfortable vehicles of **IZMIR GEZİ TUTKUNLARI**. After our breakfast (extra) at Unova facilities early in the morning, our journey continues to visit **Abant Lake**. We take a walk among the magnificent natural views of Abant Lake, which has a different beauty in every season, surrounded by oak, fir, ash, pine, poplar, beech, and hornbeam trees, mountain flowers, and fruiting plants, taking plenty of photos and spending time in its pristine nature. After completing our free time, we quickly move to the **Gölcük Lake** area for your more comfortable exploration. At the natural wonder Gölcük Lake, where the famous house frequently encountered on the internet and social media is located, we take photos on the viewing terraces where we can enjoy the unique lake and nature views and stroll along the walking paths. Then we head towards **Ormanya Nature Park**. The Ormanya Nature Park project started in 2014 and took more than 10 years to plan. Covering an area of 4,000 acres with its natural surroundings, Ormanya Nature Park is the third largest natural life park in the world and the largest in Europe. All needs are met for the living beings inside to live in conditions closest to their natural environment, and all details have been meticulously planned for visitors. Here, we explore the area where the **Hobbit Houses**, famous from the films 'The Lord of the Rings' and 'Hobbits', are located, adding these beautiful images to our memories. We then move to **Maşukiye**. In Maşukiye, located among the forests, we start our exploration by breathing in its clean and oxygen-rich air. The name Maşukiye comes from the word 'maşuk', which means beloved. Indeed, the natural beauties around make one say, "you fall in love with this place," and this natural wonder makes everyone promise to return. During our free time here, those who wish can enjoy nature with an **ATV** tour, while others can experience the adrenaline rush with **Zipline**. We meet at the time determined by our guide and proceed to the **5* Ramada By Wyndham Hotel**. After dinner, guests who wish can benefit from the hotel's indoor pool and other wet area activities.

Gün 2 — ŞİLE - AĞVA - ULUABAT - GÖLYAZI

After having an open buffet breakfast at our hotel, we head to **Şile**. In this charming town famous for its sea, forest, and pristine beach, we visit **Şile Lighthouse, Weeping Rock, Kavala Park, Culture Park, Şile Castle** and listen to our guide's information. After our free time for shopping in the center of Şile, we head towards **Ağva**. Upon reaching Ağva, a natural wonder with **Yeşilçay** on one side and **Göksu Stream** on the other, and golden sandy beaches facing the Black Sea, we first embark on an (extra) boat tour to photograph the places on Göksu Stream with those who wish. After our boat trip, we proceed to **Ağva Center**, which is established between the triangle formed by two streams and the Black Sea. During our free time, you can have lunch and take walks. After our regional tour with our guide, we continue our tour to see **Uluabat Lake** and **Gölyazı Village**. Uluabat Lake and Gölyazı Village are a fisherman's village where we will encounter dazzling and unique beauties at sunset. Guests who wish can take a boat tour on the lake, while others can walk through the village and have the opportunity to encounter magnificent beauties. During the free time here, you can see fishermen repairing their nets and crayfish baskets by the lake. Under the centuries-old plane tree in the village square, we can enjoy our evening tea and take pleasant walks through the cobbled narrow streets between the historical city walls. No matter where you look in the village, a photo frame is waiting for you. At the end of our tour, we follow the route through Susurluk, Balıkesir, Akhisar, and Manisa, and after short breaks, we arrive in Izmir between 23:00-00:00. We bid farewell to meet again on another journey with **IZMIR GEZİ TUTKUNLARI**.

NOTE: Depending on road density, traffic, fog, and weather conditions, our arrival time in Izmir may be later than planned. Therefore, we recommend that you plan your return ticket and flight for the next day.
