Gün 1 — ABANT – AMASRA – TOKATLI CANYON – SAFRANBOLU

After picking up our valued guests from the specified stops, we begin our enjoyable journey with **IZMIR TRAVEL ENTHUSIASTS' comfortable vehicles**. We have our breakfast (extra) at a suitable point along our route to start the day beautifully. After breakfast, we continue our journey towards Abant Lake.

We reach the **Abant Lake**, which generously offers all the beauties of nature and enchants its visitors with a different view in every season. We take walks in this unique natural environment surrounded by oak, fir, ash, pine, poplar, beech, and hornbeam trees, colored with mountain flowers and fruiting plants. While feeling the tranquility of nature with plenty of oxygen, we add the postcard-like views of Abant to our photos.

After our pleasant time in Abant, we get back on our vehicle and reach the pearl of the Black Sea, **Amasra**, famous for the words of Fatih Sultan Mehmet, **“Lala, Lala! Is this what they call the eye of the world?”**, via the route of Mengen, Devrek, and Bartın.

In Amasra, one of the most beautiful seaside towns of the Black Sea, we explore its historical and natural beauties together. We visit the iconic points of the city, such as the Kemere Bridge, the Historical Castle Walls, and the Çekiciler Bazaar, and then we give free time for you to fully experience the atmosphere of this beautiful coastal town.

After our visit to Amasra, we take a short journey towards **Tokatlı Canyon**, located a few kilometers away from Safranbolu. We go up to the Glass Terrace, which is the first of its kind in Turkey, to view the impressive canyon landscape from a different angle and photograph this unique natural beauty. After enjoying pleasant moments with plenty of oxygen and a magnificent view, we turn our route towards the museum city **Safranbolu**, which enchants with its historical texture.

We start our visit to Safranbolu with **Hıdırlık Hill**, where we can watch the panoramic view of the city. While photographing the unique view of Safranbolu, we receive information from our guide about the historical and cultural riches of the city.

In Safranbolu, which captivates with its original architecture, historical mansions, deep-rooted city culture, lifestyle, traditions, local flavors, and natural beauties, we enjoy pleasant walks on the nostalgic cobblestone streets. We visit the Cinci Inn, Köprülü Mosque, İzzet Pasha Mosque, and Akçasu Canyon. Then we take a coffee break at the Yemeniciler Arastası, which draws attention with its historical atmosphere.

During our free time, you can shop for Safranbolu's famous slippers, local soaps, and delicious delights, and take plenty of photos in the historical streets to immortalize these beautiful moments.

After our visit to Safranbolu, which is included in the UNESCO World Heritage List and takes you on a journey back in time with its historical texture, we head to our hotel where we will spend the night.

Gün 2 — GÖLCÜK LAKE - SAPANCA LAKE - SAKARYA

After having our breakfast at the hotel, we continue our pleasant journey and reach Bolu via Karabük. Our next sightseeing point for the day is the **Gölcük Lake**, which captivates those who see it with its unique nature.

At **Gölcük Lake**, one of the paradise corners of Bolu, we discover the unique beauties offered by nature. We take photo breaks at the viewing terraces where we can watch the enchanting view of the lake and enjoy pleasant walks in harmony with nature. In this unique atmosphere, where the green trees reflect on the calm waters of the lake, we experience unforgettable moments.

After bidding farewell to the peaceful view of Gölcük Lake, we continue our journey with the view of **Sapanca Lake** and reach Sakarya.

We check into our **5-star hotel**, one of the best chain hotels in the region. We take a pleasant break at our hotel, where comfort and relaxation are offered together, allowing you to leave the fatigue of the day behind.
