Tur Programı

Gün 1 — İzmir - Ankara

Dear Guests; after welcoming you from the specified stops on the evening of your chosen day, we begin our journey with the comfortable vehicles of **GEZİ TUTKUNLARI**. We take a breakfast break at a suitable facility in the early morning hours (**extra**).

After our breakfast, we start our tour by visiting one of Ankara's most special points, **Ankara Castle**. In this area, where you can watch the panoramic view of the city and take a journey into the past with historical Ankara houses and narrow streets, we have the opportunity to see inns, baths, mansions, coppersmiths, and basket makers' bazaars. After our photo break, we continue our tour.

Our next stop is the **Anatolian Civilizations Museum**, which hosts the works of many civilizations that have left their mark in Anatolia and is considered one of the important museums in the world. With our guide, we delve into the depths of history.

Then we visit the **1st Assembly and 2nd Assembly Buildings** and witness the founding process of the Republic of Turkey. Continuing our tour, we head to **Anıtkabir**, the eternal resting place of the Great Leader Mustafa Kemal Atatürk. We reach Anıtkabir via the Lion Road, pay our respects, and visit the **War of Independence Museum** section.

After our tour, we head towards Eskişehir and check into our hotel. After settling in, we participate in the entertainment of the sıra gecesi organized at **Ciğerci Aziz Usta**, included in the tour for dinner.

Guests who wish can take advantage of their free time to explore Eskişehir's vibrant nightlife. Thanks to our centrally located hotel, many points can be reached on foot. Guests can enjoy their time in areas such as **Doktorlar Street, Porsuk River and Islands Region, Haller Youth Center, Espark Mall, and Bar Street**.

Gün 2 — Eskişehir - Sazova - Odunpazarı

After having breakfast at our hotel, we start the day at **Kent Park**, one of Eskişehir's most important living spaces. Known as the lungs of the city, we enjoy a pleasant stroll while seeing the artificial beach, swimming pools, ponds, walking paths, sports areas, rose gardens, and various social living spaces.

After our visit to Kent Park, we move to the **Historical Odunpazarı Houses** area. During our walk among the restored Ottoman-era city mansions and narrow streets, we closely learn about the historical texture of the region with our guide's explanations.

Next, we visit Turkey's first **Contemporary Glass Art Museum** and have the opportunity to see unique glass works by different artists.

We continue our tour with **Atlıhan Handicrafts Bazaar**, where we closely examine the meerschaum products, one of Eskişehir's symbols. Then, a short free time is provided for shopping.

Our next stop is the **Kurşunlu Complex**, one of the most important cultural structures in the city. Following this, we visit the world-famous **Wax Sculpture Museum**.

After a break to taste Eskişehir's famous delicacy, **çiğ börek**, we move to the city center. We provide **free time** around Porsuk River, Islands Region, bridges, the governor's mansion, and the municipality building. Guests can enjoy a pleasant experience on Porsuk River with a **gondola tour** (Venetian atmosphere) or a **boat tour** (Amsterdam breeze) (**extra**).

Later in the day, we head to **Sazova Science, Art, and Culture Park**, one of Eskişehir's largest and most visited areas. Here, we enjoy a pleasant free time while seeing the Fairy Tale Castle, Pirate Ship, Noah's Ark, Science Center, Zoo, Underwater World, steam mini train, and large pond.

After our tour, we begin our journey back to İzmir. After necessary breaks on the road, we arrive in İzmir between 00:00 - 01:00. We bid farewell to meet again in another **GEZİ TUTKUNLARI** organization.

Note: Arrival time may vary depending on road, weather, and traffic conditions. Therefore, we recommend arranging your return flight or subsequent plans for the next day.
