Gün 1 — Day 1 — Istanbul-Baku

Day 1: Istanbul-Baku

We meet at 03:45 in front of the Turkish Airlines counter at the International Departures Terminal of Istanbul Airport. After our ticket and baggage procedures, we depart for Baku at 06:45 on Turkish Airlines flight TK 332. After arriving in Baku at 10:30 local time, we complete our passport and customs procedures and start our panoramic Baku city tour with our private vehicle waiting for us. During our city tour, we see the Heydar Aliyev Center, which stands out with its modern architecture, and take short photo breaks at Flag Square and Baku Boulevard. After the tour, we proceed to our hotel, complete our check-in procedures, and settle into our rooms. In the evening, guests who wish can join the Baku Old Town Evening Tour and Azerbaijan Night program organized by our guide as an extra. Overnight at our hotel.

Extra Tour: Baku Old Town Evening Tour and Azerbaijan Night – 80 Euro per person.

In the evening, we depart from our hotel to the historic heart of Baku, the Old City (Icheri Sheher). In this unique area, which is on the UNESCO World Heritage List, we have the opportunity to closely see narrow stone streets, historic caravanserais, and medieval architecture during our walking tour. We see the Maiden Tower, the Shirvanshahs' Palace, and the historic city walls panoramically, and receive information about Baku's historical and cultural texture with our guide's narration. After photo breaks, we explore Nizami (Targovi) Street, which resembles Istanbul's Istiklal Street. Targovi, one of the most vibrant and popular areas of the city, is the center of Baku's social life with its shops, boutique stores, cafes, and restaurants. Thanks to its elegant structures reflecting 19th-century European architecture and lively atmosphere, it is an ideal spot for both shopping and pleasant walks. We have the opportunity to closely experience Baku's modern face amidst street artists and brightly lit shop windows. We then move to one of Baku's most beautiful viewpoints, Highland Park. Here, after seeing the Martyrs' Lane, the Turkish Martyrdom, and the Flame Towers, we take unforgettable photos while enjoying panoramic views of the Caspian Sea, Baku Boulevard, and the city's modern skyline. In the continuation of our program, we experience Azerbaijan Night at a traditional restaurant where you can taste the exquisite flavors of Azerbaijani cuisine while enjoying live music. This program, combined with traditional rhythms, local delicacies, and Baku's enchanting night atmosphere, will be one of the most unforgettable moments of your trip. Transfer back to our hotel at the end of the program.

This sacred structure, which has been considered a pilgrimage center for followers of Zoroastrianism throughout history, captivates its visitors with its impressive architecture, spacious courtyard, and mystical atmosphere. Then we visit the Fire Mountain, one of Azerbaijan's most interesting natural formations, which Marco Polo referred to as the "Land of Fire." We closely observe the flames that have been burning for centuries due to natural gas coming from underground, take unique photos, and experience firsthand why Azerbaijan is called the "Land of Fires." This tour, where nature, history, and legends meet, is one of Azerbaijan's most impressive experiences.

Our first stop is Gobustan National Park, which is located about 60 km south of Baku and is on the UNESCO World Heritage List.

Then we move to the Mud Volcanoes area, one of Azerbaijan's world-famous geological riches. With approximately 300 of the 700 mud volcanoes in the world located in Azerbaijan, the country is one of the geographies where this natural wonder is most densely seen. In fact, geologists working on Mars at NASA have noted that the formations in the region resemble some areas on the surface of Mars. We closely observe the hot mud eruptions and gas bubbles in the area where the volcanoes are located, and receive detailed information from our guide about the formation, geological structure, and historical significance of the region. After our visit to Gobustan, we turn our route to the Heydar Aliyev Cultural Center, the symbol of modern Azerbaijan. Designed by the world-famous architect Zaha Hadid, this unique structure is one of the most important symbols of Baku with its fluid architecture. Inside the center, there are not only cultural and artistic exhibitions but also a classic car collection that attracts great interest from visitors. You can closely see and photograph meticulously restored Soviet classic cars from the 1940s to the 1970s, rare models such as Volga, Moskvich, Chaika from the USSR period, and official vehicles used in state protocol.
