After our ticket and baggage procedures, we depart for Baku at 08:35 with Turkish Airlines flight TK 332. After our arrival in Baku at 10:30 local time, we complete our passport and customs procedures and start our panoramic Baku city tour with our private vehicle waiting for us. During our city tour, we see the Heydar Aliyev Center, which is notable for its modern architecture, and then take short photo breaks at Flag Square and Baku Boulevard. After the tour, we proceed to our hotel, complete our check-in procedures, and settle into our rooms. In the evening, we depart from our hotel to the historic heart of Baku, the Old City (Icheri Sheher) area. During our walking tour in this unique area, which is listed as a UNESCO World Heritage Site, we have the opportunity to see narrow stone streets, historical caravanserais, and medieval architecture up close. During our tour, we see the Maiden Tower, the Palace of the Shirvanshahs, and the historical city walls panoramically, and receive information about Baku's historical and cultural fabric with our guide's explanations. After photo breaks, we explore Nizami (Targovi) Street, which resembles Istanbul's Istiklal Street. Targovi, one of the most vibrant and popular areas of the city, is the center of Baku's social life with its shops, boutique stores, cafes, and restaurants. Thanks to its elegant structures reflecting 19th-century European architecture and lively atmosphere, it is an ideal spot for both shopping and pleasant walks. We have the opportunity to closely experience Baku's modern face amidst street performers and brightly lit shop windows. We then proceed to the Mountain Park, one of the most beautiful viewpoints in Baku. Here, after seeing the Martyrs' Lane, the Turkish Martyrdom, and the Flame Towers, we take unforgettable photos while panoramically observing the Caspian Sea, Baku Boulevard, and the city's modern skyline. In the continuation of our program, we experience Azerbaijan Night at a traditional restaurant where you can taste the exquisite flavors of Azerbaijani cuisine while enjoying live music. This program, blended with traditional rhythms, local flavors, and the enchanting night atmosphere of Baku, will be one of the most unforgettable moments of your trip. Transfer back to our hotel at the end of the program.

With approximately 300 of the 700 mud volcanoes found in the world located in Azerbaijan, the country is one of the geographies where this natural wonder is most densely observed. In fact, geologists working on Mars at NASA have noted that the formations in the region resemble some areas on the surface of Mars. We closely observe the hot mud eruptions and gas bubbles in the area where the volcanoes are located, and we receive detailed information from our guide about the formation, geological structure, and historical significance of the region. After our visit to Gobustan, we turn our route to the Heydar Aliyev Cultural Center, a symbol of modern Azerbaijan. Designed by the world-famous architect Zaha Hadid, this unique structure is one of the most important symbols of Baku with its fluid architecture. Inside the center, there are not only cultural and artistic exhibitions but also a classic car collection that attracts great interest from visitors. You can closely see and photograph meticulously restored Soviet classic cars from the 1940s to the 1970s, rare models such as Volga, Moskvich, and Chaika from the USSR period, and official vehicles used in state protocol. This section offers a highly impressive experience for classic car enthusiasts and nostalgia lovers.
