Gün 1 — Day 1 — Istanbul-Baku

Day 1: Istanbul-Baku
We meet at 03:00 in front of the Turkish Airlines counter at the International Departures Terminal of Istanbul Airport. After our ticket and baggage procedures, we depart for Baku at 06:45 on Turkish Airlines flight TK 332. After arriving in Baku at 08:50 local time, we complete our passport and customs procedures and start our panoramic Baku city tour with our private vehicle waiting for us. During our city tour, we see the Heydar Aliyev Center, notable for its modern architecture, and then take short photo breaks at Flag Square and Baku Boulevard. After the tour, we transfer to our hotel, complete our check-in procedures, and settle into our rooms. In the evening, guests who wish can participate in the Baku Old Town Evening Tour and Azerbaijan Night program organized by our guide. Overnight at our hotel.

Extra Tour: Baku Old Town Evening Tour and Azerbaijan Night – 80 Euro per person.

In the evening, we depart from our hotel to the historic heart of Baku, the Old City (Icherisheher). In this unique area, which is on the UNESCO World Heritage List, we have the opportunity to closely observe narrow stone streets, historical caravanserais, and medieval architecture during our walking tour. During the tour, we see the Maiden Tower, the Palace of the Shirvanshahs, and the historical city walls panoramically, while our guide provides information about Baku's historical and cultural texture. After photo breaks, we explore Nizami (Targovi) Street, reminiscent of Istanbul's Istiklal Avenue. Targovi, one of the liveliest and most popular areas of the city, is the center of Baku's social life with its shops, boutique stores, cafes, and restaurants. Thanks to its elegant buildings reflecting 19th-century European architecture and lively atmosphere, it is an ideal spot for both shopping and pleasant walks. We have the chance to closely experience Baku's modern face amidst street artists and sparkling shop windows. We then move to one of Baku's most beautiful viewpoints, Highland Park. Here, after seeing the Martyrs' Lane, the Turkish Martyrdom, and the Flame Towers, we take unforgettable photos while enjoying panoramic views of the Caspian Sea, Baku Boulevard, and the city's modern skyline. In the continuation of our program, we experience Azerbaijan Night at a traditional restaurant where you can taste the exquisite flavors of Azerbaijani cuisine and enjoy live music. This program, blended with traditional rhythms, local flavors, and Baku's enchanting night atmosphere, will be one of the most unforgettable moments of your trip. At the end of the program, we transfer back to our hotel.

Gün 2 — Day 2 — Baku

Extra Tour: Absheron Peninsula Tour – 70 Euro per person.

We start our tour with the Absheron Peninsula. Our first stop is the Ateshgah Temple, one of the three Zoroastrian temples in the world. This sacred structure, considered a pilgrimage center for followers of Zoroastrianism throughout history, captivates visitors with its impressive architecture, spacious courtyard, and mystical atmosphere. Then we visit the Fire Mountain, one of Azerbaijan's most interesting natural formations, which Marco Polo referred to as the "Land of Fire." We closely observe the flames that have been burning for centuries due to natural gas escaping from underground, take unique photos, and experience firsthand why Azerbaijan is called the "Land of Fires." This tour, where nature, history, and legends meet, is one of Azerbaijan's most impressive experiences.

Extra Tour: Caspian Sea Boat Tour – 50 Euro per person.

In the delightful boat tour we will take in the jewel of Azerbaijan, the Caspian Sea, we explore the modern skyline of the city from the sea.

The trip we will make with the Flame Towers, the Boulevard, modern Baku architecture, and the azure view of the Caspian offers guests a unique experience both for relaxation and photography. This tour, integrated with the city's lights, is one of the indispensable activities of a Baku visit.

Gün 3 — Day 3 — Baku

Day 3: Baku

Our first stop is Gobustan National Park, located about 60 km south of Baku and listed as a UNESCO World Heritage Site.

Then we move to the Mud Volcanoes area, one of Azerbaijan's world-famous geological riches. Since approximately 300 of the 700 mud volcanoes in the world are located in Azerbaijan, the country is one of the geographies where this natural wonder is most densely observed. In fact, geologists working on Mars at NASA have noted that the formations in the region resemble some areas on the surface of Mars. We closely observe the hot mud eruptions and gas bubbles in the area where the volcanoes are located, receiving detailed information from our guide about the formation, geological structure, and historical significance of the region. After our visit to Gobustan, we turn our route to the Heydar Aliyev Cultural Center, a symbol of modern Azerbaijan. This unique structure, designed by the world-renowned architect Zaha Hadid, is one of the most important symbols of Baku with its fluid architecture. Inside the center, there are not only cultural and artistic exhibitions but also a classic car collection that attracts great interest from visitors. You can closely observe and photograph meticulously restored Soviet classic cars from the 1940s to the 1970s, rare models such as Volga, Moskvich, Chaika from the USSR period, and official vehicles used in state protocol. This section offers a highly impressive experience for classic car enthusiasts and nostalgia lovers.
