Tur Programı

Gün 1 — Day 1 — Istanbul - São Paulo - Rio de Janeiro May 15, 2027

We meet in front of the Turkish Airlines counter at the Istanbul New Airport International Departures terminal three hours before the flight. After completing our luggage and passport procedures, we depart for Sao Paulo at 10:35 AM on Turkish Airlines flight TK15. Then, we arrive at São Paulo Airport at 5:45 PM local time. Since Brazilian law requires customs control at the first entry point, our luggage cannot be directly connected to Rio de Janeiro, so we need to collect our luggage in São Paulo. After passport and customs procedures, we are greeted by our local guide and walk from Terminal 3 to Terminal 2 to board the Rio de Janeiro flight. After check-in, we fly to Rio de Janeiro at 10:40 PM with the local GOL airline. Upon arrival, we transfer to our hotel with our vehicle waiting at the airport, complete check-in procedures, and go to our rooms. Overnight at our hotel.

Gün 2 — Day 2 — Rio de Janeiro May 16, 2027

After breakfast at the hotel, we will pass by Rodrigo de Freitas Lake in the Lagoa neighborhood and then take a train from the Cosme Velho neighborhood to visit the world-famous Christ the Redeemer statue. We will take a 20-minute train ride to the top of Corcovado, where we will see the breathtaking views of the magnificent city of Rio de Janeiro, known as “Cidade Maravilhosa,” along with the Christ the Redeemer statue, which is one of the new seven wonders of the world. After descending by train, we will head to the world-famous Maracanã Stadium. After taking a souvenir photo in front of the stadium, we will go to the city center and visit the Metropolitan Cathedral. After the cathedral, we will take a walking tour of the historic city center, first going to Cinelandia Square to see the National Library, City Hall, Museum of Fine Arts, and City Theater buildings without entering. We will continue walking and after seeing the Tiradentes Palace, which is the State Assembly building, and the Paço Imperial (Imperial Palace), we will enter Arco do Teles to get a glimpse of the architecture of Rio in the 1890s. We will have lunch at the Cais do Oriente restaurant. Afterward, we will take a photo break at the Selarón Steps and then transfer back to our hotel. Free time to rest until dinner. We will have dinner at the Brazilian steakhouse Carretüao Ipanema. Overnight at our hotel.

Gün 3 — Day 3 — Rio de Janeiro May 17, 2027

After breakfast at the hotel, we reach the cable car station for our Sugar Loaf program with our private vehicle waiting for us. We pass through the Flamengo and Botafogo neighborhoods and get off our bus at the cable car station in Urca, taking the first cable car to Urca Hill at 220 meters high, and after a short 200-meter walk, we take the second cable car to the top of Sugar Loaf at 396 meters high. The name Sugar Loaf was given during the sugar cane trade between Portugal and Brazil in the 16th century. According to historian Vieira Fazenda, sugar blocks were placed in cone-shaped clay molds and transported by ships. This name was used because the molds resembled the top of the mountain. After enjoying the incredible view of Guanabara Bay during our Sugar Loaf visit, we descend again by cable car. Our destination is the western regions of the city that we did not see the previous day. This time, we will head towards the Barra da Tijuca neighborhood from the other side of the lake. After having lunch at the Toca da Traíra restaurant in Barra, we will pass through the beaches of Barra, Pepino, São Conrado, Leblon, and Ipanema before arriving at our hotel in Copacabana. Free time to rest or enjoy the beach until dinner. Our dinner will be at Roxy, where we will see typical dishes from various regions of Brazil. Overnight at our hotel.

Lunch Included with the Rio de Janeiro Sugar Loaf and Western Regions Beaches Tour & Roxy Show Dinner Tour! (Drinks not included)

Upon arrival in Foz do Iguaçu, we collect our luggage and start our tour of the Bird Park with our vehicle waiting for us at the airport. Then we will head towards the National Park and have lunch at a local restaurant. After lunch, we will enter the park to explore the waterfalls, and then we will take a Zodiac boat tour with Macuco Safari to see the waterfalls from the river. (Since you will get wet on this tour, we recommend wearing shorts and a t-shirt or even a swimsuit, and bringing a small towel with you.) After the tour, we will transfer to our hotel. Afterward, we will have lunch at a local restaurant and transfer to the airport. We will fly to Buenos Aires with local airlines. Upon arrival, we will transfer to our hotel with our vehicle waiting at the airport and complete our check-in procedures. Overnight at our hotel.

Next, we will visit the Basilica of Our Lady of Pilar, a carefully preserved colonial-era church, and the famous Recoleta Cemetery (including visit and entrance); where the legendary Eva Perón lies among other important figures. Finally, we will head to Palermo, one of the most versatile neighborhoods in the city. First, we will explore Palermo Chico, which resembles Recoleta with its aristocratic spirit. Then, we will stop at the famous Floralis Genérica, an iconic stainless steel sculpture of Buenos Aires created by Eduardo Catalano, along with beautiful parks and forests. Gün 7 — Day 7 — Buenos Aires May 21, 2027

After breakfast at the hotel, we will take a tour of the southern region of Buenos Aires. In this tour, we will take a journey back in time; passing through some of the most iconic places in Buenos Aires City, we will go back to the early 20th century. Our tour starts with the traditional Plaza de Mayo, Casa Rosada, Cabildo, and Metropolitan Cathedral. In the picturesque La Boca neighborhood, we will pass in front of the famous La Bombonera stadium of Boca Juniors and walk along the legendary Calle Caminito, one of the icons of Buenos Aires. The final stop will be the modern Puerto Madero neighborhood, which has become a symbol of elite housing and gastronomy in the city. After having lunch, we will transfer back to our hotel to rest. At the time determined by our guide, we will set off for the Tango Show at Ventana. La Ventana Tango House, located in the heart of San Telmo, opened its doors to the world in 1982. This fully restored historic conventillo offers a classic journey through Buenos Aires culture over the years. The interiors, preserving the pure essence of the building, provide a perfect setting for a unique experience with 32 artists on stage. The menu will also feature a wide selection of Argentine wines, as well as international dishes and typical Argentine cuisine. After the show and dinner, we will overnight at our hotel.

Lunch Included with the Buenos Aires Southern Regions and Recoleta Cemetery Tour & Dinner Included with Tango Show! (Drinks not included for lunch, drinks included for Tango Show)

Gün 8 — Day 8 — Buenos Aires - Istanbul May 22, 2027

After breakfast at the hotel, we will check out of our rooms, leave our luggage at the hotel's storage, and go to a local restaurant for lunch. After our lunch, we will take the Delta and Tigre tour. This tour will offer us a different way to explore and enjoy nature very close to the city. Heading north to Tigre, one of the largest deltas in the world, about 30 km away from Buenos Aires, we will pass through one of the most beautiful entrances to the city center, through suburban neighborhoods with narrow quiet streets, yacht clubs, and mansions. From the Tigre pier, we will set off on a typical island boat, opening the doors to a green labyrinth of canals and streams, allowing us to explore the nature of the islands while enjoying the views of beautiful riverside villas, Victorian-era docks, English gardens, and traditional rowing and boating clubs. For over a century, the labyrinth of rivers and canals in the Tigre Delta has been a favorite weekend getaway for "porteños." In this relaxing city escape, we will leave the bustling city behind and enter a world that has changed little since the 1920s. After the tour, we will stop by our hotel in Buenos Aires to collect our luggage and head for dinner. After having dinner at a local restaurant, we will transfer to the airport.

After check-in and passport procedures at the airport, we will depart for Istanbul at 23:55 on flight TK 016. Our plane will stop briefly in São Paulo to pick up passengers, but we will not disembark. After arriving at Istanbul Airport at 22:45, our tour ends. We hope to see you on our next organization...
