Tur Programı

Gün 1 — Izmir - Datça - Kızılkumu

Dear Guests, after welcoming you at the specified stops on the morning of your chosen day, we start our journey with the comfortable vehicles of **GEZİ TUTKUNLARI**. We take a breakfast break at a suitable facility along the way (**extra**).

After breakfast, we proceed towards the **Datça Peninsula**, following the route of **Aydın, Muğla, and Marmaris** with unique natural scenery. Our first stop is **Old Datça**, one of the most special points of Datça. In this unique area described by the famous geographer Strabo as "God sends his beloved servant to Datça to live long," we enjoy a pleasant tour among stone houses, narrow streets adorned with bougainvilleas, art galleries, boutique shops, and a bohemian atmosphere. After the guide's explanations, we give free time for you to explore the area and take photos.

After our visit to Old Datça, we head to **Kızılkumu Beach**, located in the Orhaniye region of Marmaris, famous for its natural beauty. Here, after listening to our guide about the famous princess and fisherman legend of the region, we take **photo and swimming break** at this unique spot that gives the feeling of walking on water.

After enjoying our time at Kızılkumu, we move to Marmaris center and check into our hotel. Dinner and accommodation will take place at our hotel.

Guests who wish can join the **extra night entertainment** program to experience Marmaris's vibrant nightlife in the evening.

Gün 2 — Full Day Jeep Safari

After having breakfast at our hotel, we meet at the reception and set off for our **Jeep Safari tour (Including Lunch)** to explore the unique nature of Marmaris (**Included in Tour Price**).

This activity, where we will spend an unforgettable day away from the busy city life of Marmaris, is suitable for guests of all ages. Our adventure-filled journey begins with the jeeps we will board in front of our hotel.

We progress through magnificent pine forests to reach the off-road track. After receiving our necessary equipment, we continue our safari tour with fun water fights and lots of laughter. We explore the region's most special points while passing through valleys with beautiful natural scenery.

We reach **Kızılkumu Beach**, one of the important stops of our tour. We take a swimming and photo break at this unique natural formation that gives the feeling of walking on water.

After our lunch, we change our route to **Turgut Village**. Here, we visit the **Turgut Waterfall**, which cascades from a height of about 10 meters and enchants visitors with its natural beauty. Guests who wish can spend time in the cool waters of the waterfall and enjoy nature.

Around 17:00, we complete our safari program and return to our hotel. Dinner and accommodation will take place at our hotel.

Note: Guests who wish can join the extra night entertainment program to explore Marmaris's famous Bar Street and nightclubs in the evening.

Gün 3 — Marmaris - Scuba Diving / Boat Tour - Return to Izmir

After having breakfast at our hotel, we return our room keys and load our luggage into the vehicle. Today's program is planned as two different alternatives according to our guests' preferences.

Guests who wish can participate in the **Scuba Diving (Extra Fee Applies)** activity in the clear waters of Marmaris, while those who prefer can join the **Boat Tour** program to explore the unique bays of the Aegean (**Included**). You can inform our guide of your participation preference during the tour.

Guests are advised to bring spare clothes and personal belongings they may use during the day.

By 17:00, we complete all our activities and begin our return journey to Izmir. After suitable breaks along the route, we arrive in Izmir in the evening (23:00 - 00:30).

We bid farewell to you by dropping you off at the points where we picked you up, hoping to see you again on another **GEZİ TUTKUNLARI** journey.
