Gün 1 — İzmir - Çanakkale - Eceabat - Gökçeada - Zeytinliköy - Tepeköy

Dear guests; after welcoming you from the specified stops on the night of your choice, we start our pleasant journey with the comfortable buses of **GEZİ TUTKUNLARI**. **With the first light of the morning, we reach the ferry pier and begin to cross to Gökçeada, where we will start to feel the unique island atmosphere.**

After our ferry journey, we arrive at **Dereköy, one of the best reflections of the island's historical and cultural texture. In this impressive village, which Piri Reis mentioned as one of the two important settlements of the island in the 16th century, we embark on an unforgettable journey into the past during our pleasant walk among its historical laundry, stone houses, and authentic streets. Then we give free time for you to fully experience the atmosphere of the region.**

After our free time, we turn our route to **Zeytinli Köyü, one of the most lively and beloved settlements of Gökçeada. In this charming village, known for its famous dibek coffee and unforgettable mastic pudding, we have the opportunity to taste the island's unique flavors during our free time.**

Next, we proceed to **Tepeköy, where the Virgin Mary Festival is held, enchanting visitors with its natural beauty and unique views. After our visit here, we reach Kaleköy for one of the most special moments of the day. At Kaleköy, one of the most beautiful sunset spots in Gökçeada, we watch the sunset with the mesmerizing view of the Aegean, capturing beautiful photos and enjoying our coffees while savoring this unique atmosphere.**

After our free time, we meet at the time determined by our guide and cross to Kabatepe Port by ferry. Then we arrive at our hotel in Çanakkale, have our dinner, and comfortably unwind from the day's fatigue. We complete our day filled with beautiful memories and retire to rest.

Gün 2 — Geyikli - Bozcaada - Izmir

After breakfast at our hotel in the morning, we head towards Geyikli Pier to explore **Bozcaada, one of the most enchanting islands in the Aegean. While waiting for our ferry time, we give a short free time for you to enjoy tea and coffee with a sea view. Then we board our ferry and, after a pleasant sea journey of about half an hour, we arrive at Bozcaada.**

We start our exploration of the island with the **Genovese Castle and the Underwater Archaeology Museum, which have become symbols of Bozcaada. After discovering this unique atmosphere where history and the sea intertwine, we give free time for lunch at restaurants where you can experience the fresh and delicious fish of the Aegean.**

After the meal, guests who wish can take pleasant walks along the stone streets and beaches of Bozcaada, while others can continue to explore the island's natural beauty, enjoying unforgettable views around the Windmills and Marble Cape. During the free time, we also have the opportunity to taste the famous tomato jams prepared by local women and shop for special wines made from different grape varieties grown on the island.

After sipping our teas by the sea in the peaceful atmosphere of Bozcaada and tasting the island's famous jams, we meet at the time determined by our guide to return to our ferry. After our ferry journey, we start our return journey to Izmir, and depending on traffic and road conditions, we expect to arrive in Izmir between 23:00 and 00:00. We bid farewell to you by dropping you off at the points where we picked you up, hoping to meet again at the next **GEZİ TUTKUNLARI organization.**

Important Note: Our arrival time in Izmir may occur later than planned due to road congestion, traffic, ferry times, fog, and weather conditions. Therefore, we strongly recommend that you plan your post-return flights, buses, or other transportation for the following day.
