## Tur Programı

### Gün 1 — BURSA – CUMALIKIZIK – GÖLYAZI

Dear guests; we start our pleasant journey to Bursa by welcoming you from our specified departure points the night before, with our comfortable vehicles. After the breaks we will take along the way, we arrive in Bursa, which has served as the capital of the Ottoman Empire for many years and fascinates with its historical and cultural richness.

We start the day with a nice breakfast where we will discover the local flavors of Bursa. After our breakfast, we proceed to one of the most special points of the city, **Tophane**. We explore the city from the best angle with a pleasant walk among the Historical Clock Tower, Bursa's unique panoramic view, and historical walls.

After our visit to Tophane, we are welcomed by **Ulu Cami and Koza Han**, which are considered the heart of Bursa's historical and cultural heritage. Accompanied by our guide's narration, we witness Ottoman history up close and have the opportunity to shop for the famous Bursa chestnut candy during our free time. During our lunch break, we offer free time for guests who want to taste the unique flavors of İskender kebab, which comes to mind when Bursa is mentioned (extra).

After our delicious and historical Bursa tour, we turn our route to **Cumalıkızık Village**, which has managed to preserve its historical texture from the founding period of the Ottoman Empire to the present day and is listed as a UNESCO World Heritage Site. In this unique village, which takes visitors back in time with its colorful historical houses, cobblestone narrow streets, and authentic village atmosphere, we explore the history of the region with our guide's narration and spend a pleasant free time where you can take beautiful photos.

The last discovery point of the day is **Gölyazı**, which captivates those who see it with its natural beauties and peaceful atmosphere. We take a pleasant stroll in Gölyazı, which resembles a painting with its historical stone structures, unique views reflected in the lake, and its unique village life, located on the shores of Lake Uluabat. We explore this beautiful village with its street lamps home to storks, lake-view streets, and an atmosphere that offers beautiful frames for photography. Guests who wish can join the Gölyazı Boat Tour to experience the beauties of the lake from a different perspective (extra).

After an unforgettable day filled with history, culture, nature, and flavors, we begin our return journey to Izmir. We bid farewell to you, our valued guests, at the end of our tour, which we completed with beautiful memories and photos, and we hope to meet again in the next Gezi Tutkunları program.
