Tur Programı

Gün 1 — Izmir - House of Virgin Mary - Şirince - Ephesus

Dear Guests; After welcoming you at the specified stops in the evening, we begin our tour with the comfortable buses of **GEZİ TUTKUNLARI**.

Our first stop is the **House of Virgin Mary**, located on Bülbül Mountain and considered one of the holiest places in Christianity. Here, where it is believed that Virgin Mary spent her last days, you will listen to our guide's information and take a break at the wish wall and three wish fountains for your wishes.

After our visit to the House of Virgin Mary, we head towards **Şirince**, famous for its historical houses, narrow streets, and fruit wines. In this old Greek village, featured in Dido Sotiriou's work "Send My Regards to Anatolia," we take a pleasant walk through the stone streets, which are notable for their authentic architecture. We provide free time in the village square, where homemade products prepared by local women and local delicacies are available for shopping.

After our dinner break in Şirince, we head to the **Ephesus Ancient City**, one of the most important cities of the ancient world.

In the **Ephesus Ancient City**, which takes on a different atmosphere under the night lights, we walk along the marble streets with our guide to explore the historical texture. With the narrations we will make in this large ancient city, of which about 10% has been unearthed, we closely feel the grandeur of Ephesus.

After our tour, we start our return journey to Izmir, bidding farewell to meet again on another **GEZİ TUTKUNLARI** trip around 22:00-23:00 at the points we picked you up.

****In case participation from outside is not allowed due to unforeseen or previously unplanned events by the Ministry of Culture and Tourism or official institutions in Ephesus Ancient City, date changes will be made, and all our guests will be informed at least one day in advance.**
