Tur Programı

Gün 1 — İzmir - Bozdağ - Birgi - Gölcük

Dear guests; after welcoming you at the specified stops, we will start our journey with the comfortable vehicles of **GEZİ TUTKUNLARI**. After a breakfast break we will have on our route (**extra**), we will begin our tour to explore the natural and historical beauties of Ödemiş.

Our first stop is **Bozdağ**, one of the most special points of the Aegean with its clean air and unique nature. During our pleasant journey among pine and chestnut trees, we will take a short break at **Kirkoluklar Fountain**. Then we reach Bozdağ and give free time here. Guests who wish can spend time in the village center, shop for local products, and enjoy the natural atmosphere of the region.

After our free time in Bozdağ, we turn our route to **Gölcük Lake**, located approximately 1100 meters above sea level. Surrounded by pine forests, Gölcük enchants its visitors with its postcard-like view. During our free time here, you can take a walk around the lake and take photos with the unique scenery. We have our lunch included with a view of the lake. (**Lunch: Meatball Sandwich or Sausage Sandwich + Ayran**).

After our lunch, we head to **Birgi**, which has managed to preserve its historical texture until today and is on the UNESCO World Heritage Temporary List. Accompanied by our guide's narration, we explore the historical streets bearing traces from the Ottoman and Beyliks periods, and see important works of Birgi such as **Çakırağa Mansion, Ulu Mosque, and Birgivi Mehmet Efendi Tomb**. In Birgi, which resembles an open-air museum with its historical stone houses, bay windows, and authentic atmosphere, we will have free time to shop for local products and experience the region's famous coffees.

After our enjoyable time in Birgi, we start our return journey and arrive in İzmir around 22:00-23:00. We bid farewell to you, our valued guests, by dropping you off at the points we picked you up from, hoping to meet again in another **GEZİ TUTKUNLARI** organization.

NOTE: Our arrival time in İzmir may vary depending on road density, traffic, fog, and weather conditions. Therefore, we recommend that you plan your return flight or plans for the next day.
