Tur Programı

Gün 1 — Day 1

We will meet at our meeting point, which our agency will notify via SMS **one day in advance**. We gather with our esteemed guests in front of the **Gezi Tutkunları** Counter at Adnan Menderes Airport International Departures Terminal. After completing ticket, baggage, and boarding procedures, we depart for **Barcelona** at **07:20** with flight number **XQ 894** of **SunExpress Airlines**. (Flight information may vary for each date; please request details.) After arriving at **10:00** local time, we begin the **Barcelona City Tour** with our tour bus. We will explore Barcelona, the second largest city in Spain and the capital of Catalonia, after Madrid.

Gün 2 — Day 2

After having breakfast at the hotel, we will participate in the **Girona & Figueras Tour**, which is **Free for All Guests**. We start our tour in Girona, known as the pearl of Northern Catalonia, located at the confluence of the Onyar, Galligants, and Güell rivers. The region has a historical richness with many artifacts from various occupations and administrations since the Iberians. All structures are made of stone and have been well preserved to reflect the traces of the past clearly. This city, which attracts tourists with its museums, churches, narrow cobblestone streets, and medieval walls, includes sights such as the Lion Statue, Cathedral Square, and the Jewish Quarter. After our tour...

Gün 3 — Day 3

After having breakfast at our hotel, it's time to say goodbye to **Barcelona** and head to our next destination, **Valencia**. Upon reaching Valencia, we will see places such as the Science and Culture Center designed by one of Spain's most famous architects, Santiago Calatrava, the Gothic Cathedral, Micalet Bell Tower, the Lonja Market from the 15th century where trade was conducted, the Arena, the City Square, and the old market area during our panoramic city tour. After the city tour, we will transfer to our hotel and spend the night at our hotel in Valencia.

Gün 4 — Day 4

After breakfast, we set off for Madrid. Before being declared the capital of the Kingdom of Spain, Madrid was a town that did not attract much attention among the green areas and is one of the youngest capitals in Europe. The architecture reflecting the city's expansion processes and different artistic movements throughout various periods fascinates visitors. Madrid is one of the cities with the most impressive night lighting in the country. During our tour, we will see the Cibeles Fountain, which features a giant statue of the nature goddess Cybele depicted with a chariot pulled by lions, and then we will find ourselves on Gran Vía, the most luxurious street of the 1900s. We will proceed along this elegant and stylish avenue.

Gün 5 — Day 5

After having breakfast at our hotel, we will embark on the **Segovia & Las Rozas The Style Outlet Tour**, which is **Free for All Guests**. We are heading towards **Segovia**, one of the most interesting stops on our Spain tour. This historic city, located in the autonomous regions of Castile and Leon and listed as a UNESCO World Heritage Site since 1985, offers beauty at every corner. Among the places we will visit are the Alcazar and Alcazar Castle, famous for its fairy-tale-like towers, the Roman Aqueducts that have become a symbol of Segovia, and the Old Town Square. We will have the opportunity to relax in small cafes or restaurants. After spending some free time in Segovia, we will go to Las Rozas The Style Outlet, which offers many shopping options.

Gün 6 — Day 6

After breakfast, we will conduct the **Toledo Tour**, which is **Free for All Guests**. Toledo, the capital of the Castilla - La Mancha region, located 70 km southwest of Madrid, stands out as one of the most important cities in Spanish history. With its structure bearing traces of all past civilizations in Spain, it offers unforgettable memories to its visitors. Surrounded by the Tajo River, built on protected steep cliffs, and enclosed by high walls, this city has been an important center for every period from the Romans to the Visigoths, from Al-Andalus to the Kingdom of Spain. It was also an important center for Judaism until the late 15th century.
