Gün 1 — Ihlara Valley - Underground City - Avanos - Cappadocia

Dear Guests;

After welcoming you at the specified stops, we start our journey with the comfortable vehicles of **GEZİ TUTKUNLARI**. During our morning break in the Aksaray region, breakfast opportunities are offered at a suitable facility (extra).

After our breakfast, we reach the **Ihlara Valley**, which has been formed by the Melendiz River over thousands of years and is approximately 12 km long. In this unique valley, historically known as Peristremma, we enjoy panoramic views of the region and take a photo break with the guidance of our guide.

Next, we visit the **Underground City (Kaymaklı, Derinkuyu, Seratlı, etc.)**, one of the most impressive structures in Cappadocia, where Christians sought refuge during the Roman period. This underground city, which has a depth of about 60 meters and a multi-storey structure, has been used as a living space throughout history and offers an impressive experience to its visitors.

Continuing our tour, we move to **Avanos**. After our lunch break by the Kızılırmak River (extra), we visit the **Onyx Natural Stone Workshop** to learn about the famous handicrafts of the region. Here, we receive information about the stone processing process and are given free time for shopping.

Afterwards, we go to the **Devrent (Imagination) Valley**, one of the most interesting natural formations in Cappadocia. We take photos of the rocks that have been shaped by erosion and resemble animal figures.

To learn about the local viticulture culture, we visit a local production point and receive information about grape and wine production.

At the end of our day, we check into our hotel. Dinner and accommodation will take place at our hotel in Cappadocia.

Gün 2 — Cappadocia - Balloons - Göreme - Avanos - ATV Safari

We start the new day in the beautiful land of Cappadocia by watching the balloons rise into the sky with the sunrise **Balloon Watching Tour (Included)**. Guests who wish can watch the hot air balloons at the launch site, while those who prefer can experience this unique moment as a **balloon tour (extra)**.

After having breakfast at our hotel, we continue our Cappadocia tour. Our first stop is the **Three Beauties Fairy Chimneys**. Here, we have free time to capture one of the region's most iconic views.

Next, we visit the mansion where the beloved series **Asmalı Konak** was filmed in the 2000s. After receiving information about the cultural texture of the region, we head to the **Göreme Open-Air Museum**.

In Göreme, we explore St. Basil, St. Barbara, Elmalı, Yılanlı, and Çarıklı churches and the dining hall sections with our guide, getting to know Cappadocia's historical and religious heritage closely. After our tour, we take a **lunch break (extra)**.

After lunch, we proceed to **Avanos** to witness the traditional craft of pottery making. Guests who wish can also experience this activity alongside the demonstrations by the masters.

Later in the day, we will have an approximately 1-hour **ATV Safari tour (extra)** among the fairy chimneys. After experiencing adrenaline-filled moments in Cappadocia's unique nature, we return to our hotel.

Dinner and accommodation will take place at our hotel in Cappadocia.

Gün 3 — Konya Tour | Sultanhanı - Mevlana - Return to Izmir

After having breakfast at our hotel, we leave Cappadocia and start our return journey. Along the way, we visit the **Sultanhanı Caravanserai**, one of the most important stops on the historical Silk Road and considered one of the most magnificent examples of Seljuk architecture. We explore this unique structure with the guidance of our guide and take a photo break.
