Milan is a city that stands out with its elegance and wealth, and is one of the economic centers of Italy. During our city tour, we will visit important points such as the historic Milan Castle 'Castello Sforzesco' and the 'Galleria', which marked the industrial revolution of the 19th century. The Galleria is also known as the first indoor shopping mall in Europe. We will have a pleasant day in this city filled with the works of the famous French engineer Gustave Eiffel.

Gün 3 — Day 3 — Florence - Verona & Garda - Venice

Day 3: Florence - Verona & Garda - Venice

After starting the day with breakfast, we set off towards Venice. Optionally, there is an opportunity to join a tour of Verona and Lake Garda during our journey. After the tour, we head to Venice. From Tronchetto port, the final arrival point for vehicles, we cross to the historic island by vaporetto. After a pleasant journey on the vaporetto, we disembark near St. Mark's Square and set off to explore among the canals. In Venice, boats have replaced motor vehicles; therefore, we do not see the vehicles we are accustomed to in daily life. While walking from the Slave Beach to St. Mark's Square, we will see the Venice prison and other historical buildings.
