Tur Programı

Gün 1 — İzmir - Datça - Kızıku

Dear Guests, after welcoming you at the specified stops on the chosen day, we begin our journey with the comfortable vehicles of **GEZİ TUTKUNLARI**. We take a breakfast break at a suitable facility on the way (**extra**).

After breakfast, we proceed towards **Datça Peninsula** following the route of **Aydın, Muğla, and Marmaris** with unique natural views. Our first stop is **Old Datça**, one of the most special spots in Datça. In this unique area described by the famous geographer Strabo as "God sends his beloved servant to Datça for a long life," we enjoy a pleasant tour with stone houses, narrow streets adorned with bougainvilleas, art galleries, boutique shops, and a bohemian atmosphere. After our guide's narration, we give you free time to explore the area and take photos.

After our visit to Old Datça, we move to **Kızıku Beach**, located in the Orhaniye region of Marmaris, famous for its natural beauty. Here, after listening to the famous princess and fisherman legend from our guide, we take **photo and swimming break** at this unique spot that gives the feeling of walking on water.

After enjoying our time at Kızıku, we head to Marmaris center and check into our hotel. Dinner and accommodation will take place at our hotel.

Guests who wish can participate in the **extra nightlife** program in Marmaris in the evening.

Gün 2 — Gökova Boat Tour - Sedir Island (Cleopatra Beach) - Return to Izmir

After having breakfast at our hotel in the morning, we leave the hotel and head to **Akyaka** for our boat tour where we will explore the unique bays of Gökova.

After meeting our boat, our **Gökova Boat Tour** begins. Our first stop is **İncekum Beach**, famous for its fine sand and clear sea. During our swimming break here, you can enjoy the cool waters of Gökova.

Our next stop is **Blue Cove**, which captivates those who see it with its turquoise color. We take a swimming break in this cove, one of the most special spots in the region with its clear water and natural beauty.

We reach **Sedir Island (Cleopatra Island)**, one of the most special stops of our boat tour. With free time, we explore the ruins of the ancient city of Cedrae, historical structures, and the ancient theater on the island. Then we take a break at the world-famous **Cleopatra Beach**.

According to legend, this unique beach, famous for its golden sands brought from North Africa specifically for Cleopatra by Marcus Antonius, is under special protection to preserve its natural structure. Therefore, it is prohibited to remove or damage the sands on the beach.

During our boat tour, **lunch is served on the boat**. The menu includes chicken, pasta, salad, and soft drinks (may vary, please check with the Call Center for information).

After enjoying our time on Sedir Island, we begin our return journey and reach Akyaka again with our boat. Then we head towards Izmir.

After our necessary breaks on the way, we arrive in Izmir between 23:00 and 00:30, bidding farewell to you at the points we picked you up from, hoping to see you again in another **GEZİ TUTKUNLARI** organization.

Important Notes:
