Dear guests, after welcoming you at the selected meeting points in the early morning, we start our enjoyable journey to Bursa. After our breakfast break in the Akhisar region (extra), we continue our journey.

Our first stop is **CUMALIKIZIK VILLAGE**, the most famous among the Kızık villages located on the northern slopes of Bursa, which has managed to survive to this day. With its historical background dating back to the Ottoman period, Cumalıkızık takes its visitors on a pleasant journey into the past with its stone streets, historical houses, and unique architecture. After our free time in this unique village, which has been protected by UNESCO and holds international significance with its historical texture and houses, we move on to our next stop.

Our next stop is **1326 PANORAMA FETİH MUSEUM**, which impressively carries the traces of the conquest of Bursa and the Ottoman civilization to the present day. In this museum, which has one of the largest panoramic views in the world, we have the opportunity to closely see the works depicting the conquest of Bursa and its impressive panoramic narration.

After our museum visit, we move to our restaurant for lunch to taste one of Bursa's most famous delicacies, **ISKENDER** (extra).

After having our breakfast at the hotel, we head towards **MUDANYA**.

We start our tour in Mudanya, which has an important place in history due to the Mudanya Armistice signed at the end of the Turkish War of Independence, with a visit to the **Mudanya Armistice House Museum**. We visit the museum, which dates back to the late 19th century and is known as the building where the Mudanya Armistice was signed, belonging to Russian-born Aleksander Ganyanof.

Then we see the **Kumkaya Church**, built during the reign of Byzantine Emperor IV. Konstantinos Porphyrogenetos, and photograph **Tahir Paşa Mansion**, which has the most beautiful examples of historical houses from the Ottoman period in Mudanya.

After our visit to Mudanya, we turn our route towards **TRILYA (ZEYTİNBAGI)**, an old Greek settlement. In Trilya, which draws attention with its historical texture and unique architecture, we see **Fatih Mosque**, the **Arched Church**, where paintings were made for the first time in history, the old church building **Dündar Evi (Yohannes Church)**, and the **Stone School**, which was previously built as a Priest School and served as a school until the 1980s.

After our tour of the historical streets of Trilya, we have our lunch at a fish restaurant by the seaside. **(Extra)**

After lunch, we take a shopping break for **Trilye Olive**, one of the best table olives grown in our country.

After our shopping break, we turn our route towards **ULUABAT LAKE**. We start our visit to Uluabat Lake from the historical village of **GÖLYAZI**, which is located on the shores of the lake.

In Gölyazı, we see the approximately 450-year-old **WEAPING PLANE TREE** in the village square, enjoying the peaceful atmosphere of the region while drinking our tea under the tree. Then, you can explore the historical texture by walking through the cobbled narrow streets, take a pleasant walk between the historical city walls, or join a boat tour (Extra) organized among the reeds at sunset.
