Tur Programı

Gün 1 — IZMIR – BAĞBAŞI PLATEAU – PAMUKKALE – HIERAPOLIS ANCIENT CITY – KARAHAYIT – IZMIR

Dear guests, we start our pleasant journey towards Denizli by picking you up from our departure points in Izmir at the designated times in the morning. We have a lovely start to the day with our **included open buffet breakfast** at our facility along the route. After our breakfast break, we continue our journey towards Denizli via Aydın.

Our first stop is the **Bağbaşı Plateau**, famous for its unique views and natural beauty. While taking the cable car to the plateau, we have the opportunity to enjoy a bird's eye view of Denizli and the magnificent cityscape. During our free time at the plateau, we spend time in nature, taking plenty of photos and enjoying this beautiful atmosphere.

After our visit to Bağbaşı Plateau, we turn our route towards **Pamukkale**, which is listed as a UNESCO World Heritage Site and is globally recognized for its natural beauty. Here, we first visit the **Hierapolis Ancient City**, which carries the traces of the past to the present. Then, we explore the **Pamukkale Travertines**, formed by mineral-rich thermal waters, which captivate with their pure white appearance. We provide free time for you to discover this unique natural wonder, enjoy the view, and take photos.

After our visit to Pamukkale, our next stop is **Karahayıt**, known for its unique red thermal waters. We complete our Denizli tour by visiting this beautiful area, which is notable for its red travertines and thermal water sources.

At the end of the day, we begin our return journey to Izmir. After arriving in Izmir in the evening, we bid farewell to you, our valued guests, by dropping you off at the points where we picked you up in the morning, hoping to meet again in another **Gezi Tutkunları** organization.
