### Tur Programı

#### Gün 1 — Köprülü Canyon - Rafting - Olympos - Ancient City

After greeting you at the specified stops, we start our journey with the comfortable vehicles of **GEZİ TUTKUNLARI**. In the morning, we arrive at the natural wonder of Antalya, the **Köprülü Canyon** region.

After having breakfast in the area (included in the tour price), we get to know the unique nature of Köprülü Canyon, one of Turkey's deepest canyons shaped by the Köprüçay River over thousands of years. This natural wonder, which reaches a depth of approximately 400 meters, is also one of the most important centers for rafting sports in Turkey.

After the necessary preparations, we participate in the **rafting activity** with professional teams. In this adrenaline-filled activity that everyone from 7 to 77 can experience, we have unforgettable moments in the cool waters of Köprüçay.

After our rafting program, we turn our route to **Olympos**, one of the most special regions of the Mediterranean. We settle into our bungalow-style hotel, surrounded by nature. Olympos welcomes us with its clean air and peaceful atmosphere.

With our guide, we go on a tour of the **Olympos Ancient City** for guests who wish. We closely explore the historical texture of the region by discovering the ruins of the theater, basilica, and baths from the Roman period, as well as the ancient city roads. We take a photo break with the unique view of the ancient city extending to the sea.

After our tour, we give free time on Olympos's natural beach. After having our dinner, an **Yanartaş Tour (extra)** is organized for guests who wish. We meet in the lobby at 20:30 and go to Yanartaş with our guide.

After the tour, we return to Olympos and continue the entertainment in the region's famous nightlife for guests who wish.

**Note:** The Köprülü Canyon rafting and breakfast are included in the tour price.

**Note:** Entrance to the ancient city and beach can be made with a Museum Card.

**Note:** It is recommended to bring a swimsuit, towel, and spare clothes; there are shower and changing facilities available.

#### Gün 2 — Suluada Boat Tour - Bays - Kemer Night Entertainment

After having breakfast at our hotel, we meet in the lobby at 09:15 for the optional **Suluada and Bays Boat Tour (extra)**.

Our boat tour, which will take place between 10:00 and 16:30, explores the region's most beautiful bays, starting with **Suluada**, known as the Maldives of Turkey. Accompanied by music and entertainment, we enjoy swimming breaks at each stop while savoring the turquoise waters of the Mediterranean.

During our boat tour, we will have a total of **4 different swimming breaks**. Our lunch is served on the boat, with a menu including fresh fish or chicken, pasta, and salad. Tea and fruit will also be served during the day.

After our enjoyable and entertaining boat tour, we return to our hotel. After having dinner at our hotel, an extra **Kemer Inferno Club Night Entertainment** is organized for guests who wish.

After our guide's information and reservation organization, guests who wish can enjoy the entertainment at Inferno Club, one of Turkey's largest nightclubs, with a shuttle departing from the hotel.

**Note:** Participation in the night event must be reported to our guide. The program is organized based on participation.

### Gün 3 — OLYMPOS ANCIENT CITY - KEKOVA BOAT TOUR - MOONLIGHT TOUR — Olympos Orange Bungalows

After our breakfast, we leave our hotel early and reach Çayağzı Harbor with a pleasant journey of about 2 hours. Here, we meet our guests and participate in one of our country's most special sea tours, the **Kekova Boat Tour**.

This special boat tour offers a unique experience that distinguishes it from other regions with its clear sea, historical ruins, and natural bays. We enjoy the sea and sun to the fullest with swimming breaks at the bays we will visit during the tour. The ancient ruins in the sea make this journey even more impressive.

One of the most special stops of our tour is Kaleköy (Simena), where we take a break of about 1 hour. Known as one of Turkey's most beautiful villages, guests who wish can explore the village and taste ice creams prepared by the locals.

After our visit to Kaleköy, we set sail again with our boat, giving swimming breaks at different bays, during which we have our buffet lunch on board. After a delightful day at sea, we return to the harbor around 16:00 and head back to our hotel.

After our dinner, we meet in the lobby at 20:30 to join the special entertainment-filled Moonlight Boat Tour (extra) for the last day. This enjoyable night tour, accompanied by music, light shows, and swimming breaks, concludes around 01:00 as we return to Olympos.
