Tur Programı

Gün 1 — İzmir- Abant Lake - Gölcük Lake - Yedigöller

Dear Guests, after welcoming you at the specified stops on the night of your chosen day, we begin our journey with the comfortable vehicles of **GEZİ TUTKUNLARI**. After our night journey, we take a breakfast break at a suitable facility in the morning (extra).

After breakfast, our first stop is **Abant Lake**, one of the unique natural wonders of Bolu. Located at an altitude of 1,350 meters above sea level, surrounded by pine and fir forests, Abant Lake greets us with its rich vegetation, clean air, and peaceful atmosphere. After a panoramic tour around the lake, we provide free time. During this time, you can take a walk by the lake, participate in a carriage or horse tour (Extra), and take beautiful photos.

After meeting at the specified time, we turn our route to **Gölcük Nature Park**, another natural beauty of Bolu. In the free time we will spend at Gölcük Lake, surrounded by pine forests and resembling postcards, we enjoy nature and capture unique moments.

After our visit to Gölcük, we move to Bolu center and transfer to minibuses waiting for us to go to **Yedigöller National Park**. In Yedigöller, one of the most impressive points of nature, we see Sazlıgöl, İncegöl, Küçükgöl, Deringöl, Büyükgöl, Kurugöl, and Seringöl. In this unique atmosphere, dominated by green or red tones depending on the season, we enjoy pleasant walks and spend peaceful hours in nature.

After gathering at the time specified by our guide, we head to our hotel in the region. After checking into the hotel, we have our dinner and have free time to relax from the day's fatigue. Guests can take advantage of the facilities offered by the hotel.

Note: Yedigöller National Park may sometimes be closed to visitors due to weather and road conditions. In such cases, alternative routes suitable for the program flow will be applied (Gölyazı, etc.).

Gün 2 — Şile - Ağva - Ormanya - Maşukiye

We start the day after having breakfast at our hotel.

Our first stop is **Şile Castle**, located on **Ocaklı Island** and one of the symbols of the region with a history of **approximately 2,000 years**. Then we visit **Şile Lighthouse**, one of Turkey's largest lighthouses built in **1859 during the Ottoman Empire**. We take a photo break at this point, which overlooks the unique view of the **Black Sea**.

After our visit to Şile, we turn our route to **Ağva**, which means "a village built between two streams". This charming coastal town, which has hosted many civilizations throughout history such as the Hittites, Phrygians, Romans, and Ottomans, offers us a pleasant break. Guests can take photos at **Ağva Lighthouse** or walk along the **Lovers' Path**, known as one of the most romantic spots in the region, along the banks of the **Yeşilçay River**.

After our break, an optional boat tour on the **Göksu River** is available for interested guests (extra).

After our free time, we move to **Ormanya Nature Park**, one of the most important natural habitats in Kocaeli. Covering an area of approximately 4,000 acres and considered one of the largest nature parks in Europe, we closely observe the conservation efforts carried out in natural habitats. We spend enjoyable time in the park, which hosts fallow deer, roe deer, gazelles, and many different species.

During our visit to Ormanya, we also visit the **Hobbit Houses**, inspired by the films "The Lord of the Rings" and "Hobbit", and capture beautiful photos in this special area.

Continuing our journey, we head to **Maşukiye**, a natural wonder located at the foothills of Kartepe. Named after the word "maşuk", meaning "beloved", Maşukiye enchants its visitors with its lush nature, streams, and peaceful atmosphere. During our free time here, guests can enjoy nature with an **ATV tour**, or experience adrenaline-filled moments with **zipline activities** (extra).

After spending enjoyable time in Maşukiye, we begin our return journey to İzmir. After necessary breaks along the way, we arrive in İzmir between 00:00 - 01:00 and bid farewell to you at the points we picked you up from, hoping to see you again in another **GEZİ TUTKUNLARI** organization.

Note: Due to road congestion, traffic, fog, and weather conditions, our arrival time in İzmir may be later than planned. Therefore, we recommend that you arrange your return flight or other travel plans for the following day.
