Tur Programı

Gün 1 — Abant Lake - Gölcük Lake - Kartepe Ski Center

On the evening of December 30, after meeting with our valued guests at the specified stops, we start our journey with the comfortable vehicles of **GEZİ TUTKUNLARI**. After a break for breakfast (extra) in the morning, we take walks by **Abant Lake**, adding the stunning views to our photo albums and memories. We then head to another beauty of Bolu, **Gölcük Lake**. The beauty of this nature paradise, surrounded by pine forests, will impress us greatly. We have the chance to walk by the lake and shop from local vendors if possible, and then we move to the famous house's location. Gölcük Lake excites us in another way. After taking photos and spending some free time here, we reach **Kartepe Ski Center**. Kartepe Ski Center is one of Turkey's newest ski resorts. We give free time in Kartepe, which draws attention with its natural beauty, forests, and the view of Sapanca Lake. During this free time, guests who wish can ski & snowboard and have a great time. Afterward, we set off to check into our hotel. As soon as we arrive at our hotel, we take advantage of the hotel facilities to relax from the day's fatigue and prepare for the New Year's Eve entertainment, meeting in the ballroom where the gala program will take place. Our New Year's entertainment, which will start with welcome cocktails, continues until the late hours of the night as we all say **HELLO TO THE NEW YEAR**. The entertainment lasts until 02:00 at night.

GALA MENU FOR THE NEW YEAR'S BALL WITH DINNER AND UNLIMITED DRINKS

Traditional Meze Plate: Olive oil artichoke, olive oil stuffed peppers, haydari, hummus, spicy ezme, carrot tarator, raw meatballs, white cheese
Hot Appetizer: Vegetable crepe with Neapolitan sauce
Main Course: Oven-baked beef nuar with demi-glace sauce, served with buttered mashed potatoes
Dessert and Night Treat: Pumpkin dessert with tahini and walnuts; tripe or lentil soup

Gün 2 — Maşukiye - Ormanya - Uludağ

On the first morning of the new year, we have a late breakfast and depart from our hotel. We arrive at **Maşukiye**, which is surrounded by nature at the foot of Kartepe and by the shores of Sapanca Lake. After seeing the panoramic view of the Maşukiye region, we head towards **Ormanya Nature Park**. Ormanya Nature Park, which consists of 4 thousand acres of natural surroundings, is the third largest natural life park in the world and the largest in Europe. All needs are met for the animals inside to live in an environment closest to their natural conditions, and all details have been meticulously planned for visitors to Ormanya Nature Park. Ormanya Nature Park houses 467 animals and plant species of 53 different species. Many species such as fallow deer, gazelles, and roe deer continue their generations in their natural habitats within the park. We also visit the area where the **Hobbit Houses**, famous from the movies 'The Lord of the Rings' and 'Hobbits', are located, adding these beautiful images to our memories. We take a walk and photograph this magnificent nature. Then, we leave this area and head towards Bursa Uludağ. Following our guide's information and directions about the mountain and places to visit, guests who wish can ski and snowboard in Uludağ, take the cable car, while other guests can enjoy the snowy scenery in cafes with their hot sahlep. After spending beautiful hours in this impressive environment, we begin our journey back to Izmir, hoping to meet again in another **GEZİ TUTKUNLARI** program.

NOTE: Depending on road density, traffic, fog, and weather conditions, our arrival time in Izmir may be later than planned. Therefore, we recommend that you plan your return ticket and flight for the next day.
