Tur Programı

Gün 1 — Izmir - Bafa Lake - Bodrum

On the morning of December 31, after meeting with our esteemed guests at the specified stops, our pleasant journey to Bodrum begins.

After having breakfast at a suitable facility, our first stop will be **Bafa Lake**, an alluvial set lake. Approximately 2000 years ago, Bafa Lake was a port in the Aegean Sea, but over time, it lost its connection to the sea due to the alluvium carried by the Büyük Menderes River, taking its current form. Bafa Lake, the largest lake in the Aegean Region, is also known as Çamiçi Lake among the locals.

After enjoying the unique view of the lake and sipping our coffees by the shore, we continue our journey and check into our hotel located in Bitez. After receiving our room cards, you can proceed to your free time. You can explore Bitez, which is within walking distance, or enjoy the location of our hotel, which is just 100 meters away from the beach.

Meanwhile, our team will begin preparations for the evening activities. **We will celebrate the New Year in the hotel's restaurant with a special menu, new year decorations, and DJ performance, breaking away from the classic hotel concept for our dinner.**

It wouldn't be a trip to Bodrum without experiencing the Bodrum nights! At 23:00, we leave our hotel and head to the nightclub with the waiting shuttles. **We enter the New Year in the nightclub, in a music and entertainment-filled atmosphere, and enjoy this moment until late hours.**

During dinner, limited alcohol will be provided as 2 glasses of raki or 2 glasses of wine or 2 beers per person. Soft drinks are unlimited.
One alcoholic drink will be provided at the nightclub.

Gün 2 — Bodrum Marina - Izmir

On the first day of the New Year, after having a late breakfast at our hotel, we depart from the hotel and head towards Bodrum Center.

During free time, guests who wish can visit **Bodrum Castle, the Underwater Archaeology Museum, and the Zeki Müren Art Museum.** You can take walks at Bodrum marina and spend time in its cafes. After our enjoyable free time in Bodrum center, we begin our return journey.

We bid farewell to Bodrum with the unforgettable words of Cevat Şakir:

“When you reach the top of the hill, you will see Bodrum. Do not think you will leave as you came; those before you were the same, they left their minds in Bodrum.”

After leaving behind a delightful holiday, we arrive in Izmir around 20:00 - 21:00 and bid farewell, hoping to see you again on the next tour.
