Tur Programı

Gün 1 — İzmir - Aksaray - Cappadocia

Dear guests; After picking you up from the specified stops on Saturday night, we begin our journey with **GEZİ TUTKUNLARI** 's comfortable buses. We will have our break in **Aksaray** where we will arrive on Sunday morning, and have our breakfast freely at the resting facility. At the determined time, we arrive at Ihlara Valley, historically known as **Peristremma**, which has been eroded over centuries by the **Melendiz Stream**, with a total length of 14 km. *(Ihlara Valley may be closed due to renovation and restoration; in this case, we will visit the Monastery, Church, and Wine Cellars in Selimiye Cathedral.)* We view this valley panoramically and after photographing its geographical beauties, we first head towards **Kaymaklı Underground City**, which the Hittites began to build and where the first Christians fleeing Roman persecution took refuge. This magnificent 7-story structure, with a diameter of 7 km and a depth of up to 60 meters, is sure to remain in your memories for a long time. Immediately after the underground city, we head towards **Uçhisar**. We take a photo of **Uçhisar Castle** and reach **Pigeon Valley**. After tasting local products in the region, we observe the Cappadocia region from a bird's eye view with our coffee. Afterwards, we come to **Avanos** for our lunch and have a lunch break (extra). After lunch, we arrive at **Paşabağ Valley**, also known as Monks Valley. Paşabağları covers a very large area surrounded by mushroom-shaped fairy chimneys. The valley, a frequent destination for many tourists, is one of the regions where the world-famous fairy chimneys are most concentrated and prominent. Its unique landscape and mystical atmosphere enchant visitors. Our next stop is **Devrent**... We photograph the interesting structures formed by the erosion of rocks and fairy chimneys into animal shapes. The region, famous for its grapes and widespread viticulture, has many family-run wineries. Afterwards, we arrive in **Ürgüp**. After some free time here, we visit the mansion where **Asmalı Konak**, one of the legendary TV series of the 2000s, was filmed, and visit the Turasan wine factory to taste and shop for the region's famous wines. Our last stop is **Üç Güzeller Fairy Chimneys**. Then we check into our hotel.

Gün 2 — Cappadocia – İzmir

We greet the new day in the land of beautiful horses and go to the balloon launch area to watch/ride balloons at sunrise (extra). After breakfast at our hotel, we take a one-hour ATV safari tour among the fairy chimneys (extra). After this tour, accompanied by the fairy chimneys, we visit the Pottery/Ceramic workshop to see and try the intricacies of the pottery making art, a product of over 3800 years of experience and synonymous with the region. One lucky person among us will experience this firsthand and design their own pottery.

Afterwards, we move to **Göreme Open Air Museum**. First, after visiting the churches of **St. Basil, St. Barbara, Elmalı, Yılanlı, Yemekhane, and Çarıklı**, we take a lunch break (extra). After lunch, we board our buses and begin our return journey. On our return journey, we visit **Sultanhanı Caravanserai**, which holds the title of the largest caravanserai in Anatolia. We continue our journey and arrive in İzmir. We drop you off at the points where we picked you up and bid farewell, hoping to see you on another **GEZİ TUTKUNLARI** trip.
