Gün 1 — IZMIR - CUMALIKIZIK - 1326 PANORAMA CONQUEST MUSEUM - TOPHANE

Dear guests, we welcome you at our specified departure points and begin our pleasant journey with **GEZİ TUTKUNLARI**'s comfortable vehicles. Following the Manisa and Akhisar route, we take a breakfast break in Susurluk. After breakfast, we continue our journey and reach Bursa, one of the first capitals of the Ottoman Empire. Our first stop is **Cumalıkızık Village**, which has managed to preserve its historical texture from the Ottoman period to the present day and is listed as a UNESCO World Heritage Site. We take a tour of this beautiful village with its narrow cobblestone streets, colorful historical houses, and unique atmosphere that takes visitors back in time, accompanied by our guide's narration. After free time for taking photos, exploring the village's authentic atmosphere, and examining local products, we continue our journey. Our next stop is the **Panorama 1326 Bursa Conquest Museum**, which tells the story of Bursa's conquest with impressive visuals. After visiting this impressive museum, which presents one of the significant turning points in Ottoman history with its panoramic narrative, we head to our restaurant for lunch. We take a lunch break to taste the famous **Bursa İskender Kebabı**, one of the first delicacies that come to mind when Bursa is mentioned. After our meal, we move to the **Tophane** area, one of Bursa's most important historical and cultural points. In this historical area, where the tombs of Osman Gazi and Orhan Gazi are located, we enjoy the panoramic view of Bursa and give free time for photo taking and a tea-coffee break. After our tour, we head to **Anemon Hotel**, where we will be staying. After completing our check-in procedures at the hotel, we settle into our rooms and have free time to rest and prepare for New Year's Eve.

We wake up to the first morning of the new year in Bursa! After breakfast at our hotel, we offer our guests free time to spend the first day of the new year according to their own preferences. Guests who wish can shop in Bursa city center, explore historical bazaars, experience the city's famous delicacies, or relax in the comfort of our hotel.

For our guests who wish to go to Uludağ, a completely different experience begins!

At 11:00, we depart from our hotel with our vehicle and head towards **Uludağ Ski Resort**, one of Turkey's most important winter tourism centers. In Uludağ, covered with a white blanket of snow, our guests can ski and snowboard, experience the chairlift, sip hot drinks accompanied by the snow view, or enjoy the snow and have a pleasant time. You can take plenty of photos in Uludağ's unique winter atmosphere and turn the first day of the new year into an unforgettable experience with the snow scenery. Gün 3 — Uludağ Ski Resort - Gölyazı - Izmir

After breakfast at our hotel, we check out of our rooms and bid farewell to Bursa, beginning our return journey. But our trip isn't over yet! Our last stop is **Gölyazı Village**, one of Bursa's most beautiful natural and historical gems. Historic Gölyazı, located on the shores of Lake Uluabat and connected to the mainland by a narrow bridge, welcomes us with its lake view, narrow streets, and peaceful atmosphere. Here, we first see the **Weeping Plane Tree**, which has become one of the village's symbols, notable for its centuries-old history. Afterwards, we give free time to explore Gölyazı's historic streets, walk along the lakeside, and photograph the magnificent scenery. Guests who wish, and if weather conditions are suitable and the service is available, can participate in optionally organized boat trips to discover the beauties of Lake Uluabat from the water. After our tea-coffee break and free time in Gölyazı, we begin our return journey to Izmir. After necessary breaks along our route, we arrive in Izmir in the evening, dropping off our esteemed guests at their pick-up points and bidding farewell with the hope of meeting again in another **GEZİ TUTKUNLARI** organization.

NOTE: Our arrival time in Izmir may be later than planned due to road congestion, traffic, fog, and weather conditions. Therefore, we recommend making your return ticket and flight ticket plans for the following day.
