Tur Programı

Gün 1 — İzmir Bursa

On the morning of Thursday, December 31st, we pick up our valued guests from the specified stops with our vehicles belonging to **GEZİ TUTKUNLARI** and begin our journey. Continuing our journey via **Manisa**, **Akhisar**, we take a break for breakfast in **Susurluk** and then arrive in **Bursa**. We head to **Cumalıkızık Village**, the most famous of the 5 Kızık villages located on the northern slopes of Bursa that have survived to this day, with a history as old as the Ottoman Empire. After completing our free time in Cumalıkızık, where every street is a photo corner and which is protected by **Unesco** due to its historical ruins and houses of international importance, we proceed to our next stop, the **1326 Panorama Conquest Museum**. The museum, which explains how and in what way the traces of Ottoman civilization came to light, also boasts the world's largest panoramic view. After visiting this truly admirable work of art museum, we head to our restaurant to taste Bursa's famous **İskender** for lunch. After lunch, we proceed to our hotel for accommodation. After checking into our hotel, we prepare for our Gala Dinner and entertainment, and our gala dinner entertainment begins at 20:00. Our gala will take place in the ballroom of our hotel.

Gün 2 — Bursa - Uludağ - İzmir

After having our late breakfast at the hotel in the morning, we hand over our room keys and settle into our bus. On the first day of the new year, we set off towards Uludağ and begin a pleasant journey with road views greeting us even before we reach **Uludağ**. As we get closer to the summit, with the excitement of increasing snow levels, we also receive information about the region from our guide. During the given free time, our guests who wish can explore the area, enjoy the snow, spend time in cozy cafes, and admire the magnificent views. Guests who wish can engage in activities such as **Skiing, Sledding, Cable Car** rides during this period, guided by our tour guide. You can enjoy your lunch with the famous **Sucuk Ekmek** (Turkish sausage bread) on the mountain or choose different restaurants. After free time, we depart from the mountain in the afternoon. We head towards **GÖLYAZI** village. Gölyazı is a tiny islet that seems to float on Lake Uluabat!! In fact, it's a peninsula connected to the mainland by a thin bridge. Here, we also see the 730-year-old **Weeping Plane Tree**. After enjoying pleasant boat rides around the lake with small boats, exploring the village, and having tea/coffee, we begin our return journey and arrive in İzmir between 23:00-00:00. We drop you off at the points where we picked you up and bid farewell, hoping to see you on another **GEZİ TUTKUNLARI** trip.

NOTE: Our arrival time in İzmir may be later than planned due to road congestion, traffic, fog, and weather conditions. Therefore, we recommend making your return ticket and flight plans for the following day.
